NOTES:

1. Considering the ongoing Covid-19 pandemic, the Ministry of Corporate Affairs ("MCA") has, vide its circular dated January 13, 2021 read together with circulars dated April 8, 2020, April 13, 2020 and May 5, 2020 (collectively referred to as "**MCA Circulars**"), permitted convening the Annual General Meeting ("**AGM**") through Video Conferencing ("**VC**") / Other Audio - Video Means ("**OAVM**"), without the physical presence of the Members at a common venue. In accordance with the MCA circulars, provisions of the Companies Act, 2013 (the "**Act**") and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("**SEBI Listing Regulations**"), the AGM of the Company is being held through VC/ OAVM. The deemed venue for the AGM shall be the Registered Office of the Company.

HATHWAY BHAWANI CABLETEL & DATACOM LIMITED

2. Generally, a member entitled to attend and vote at the meeting is also entitled to appoint a proxy to attend and vote on a poll instead of himself/herself and such proxy need not be a member of the Company. Since this AGM is being held through VC/OAVM pursuant to the MCA Circulars, physical attendance of members has been dispensed with. Accordingly, the facility for appointment of proxies by the members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
3. Since the AGM will be held through VC/OAVM, the Route Map of the venue of the AGM is not annexed hereto.
4. In terms of the provisions of Section 152 of the Act, Ms. Pranjali Gawde, Non-Executive Director retires by rotation at the Meeting. The Nomination and Remuneration Committee and the Board of Directors of the Company recommend her re-appointment. Ms. Pranjali Gawde is interested in the Ordinary Resolution set out at Item No. 2 of the Notice with regard to her re-appointment. The relatives of Ms. Pranjali Gawde may be deemed to be interested in the resolution set out at Item No. 2 of the Notice, to the extent of their shareholding interest, if any, in the Company.

Save and except the above, none of the other Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the Ordinary Business set out under Item No. 1 and 2 of the Notice.
5. Details of Director retiring by rotation and seeking re-appointment at this AGM are provided in the "Annexure" to the notice.
6. Pursuant to the amendment to the section 139 of the Act, effective from May 7, 2018, the ratification of the appointment of auditors by the members at every AGM has been done away with. Accordingly, the ratification of appointment of M/s. Nayan Parikh & Co., Chartered Accountants, who were appointed as the Statutory Auditors at the Thirty-third AGM held on September 26, 2017, for a period of 5 years, is not required at the ensuing AGM.

PROCEDURE FOR REMOTE E-VOTING AND E-VOTING AT THE AGM ("Insta Poll"):

18. A. E-VOTING FACILITY:

Pursuant to the provisions of Section 108 and other applicable provisions, if any, of the Companies Act, 2013 read with the Companies (Management and Administration) Rules, 2014, as amended, and Regulation 44 of SEBI Listing Regulations, read with circular of SEBI on e-Voting Facility provided by Listed Entities, dated December 9, 2020, the Company is providing to its members facility to exercise their right to vote on resolutions proposed to be passed at AGM by electronic means ("**e-voting**"). Members may cast their votes remotely, using an electronic voting system on the dates mentioned herein below ("**remote e-voting**"). Further, the facility for voting through electronic voting system will also be made available at the Meeting ("**Insta Poll**") and members attending the Meeting who have not cast their vote(s) by remote e-voting will be able to vote at the Meeting through Insta Poll.

HATHWAY BHAWANI CABLETEL & DATACOM LIMITED

The Company has engaged the services of KFinTech as the agency to provide e-voting facility.

The manner of voting, including voting remotely by (i) individual shareholders holding shares of the Company in demat mode, (ii) Shareholders other than individuals holding shares of the Company in demat mode (iii) Shareholders holding shares of the Company in physical mode, and (iv) Members who have not registered their email addresses is provided in the instructions given below.

The remote e-voting facility will be available during the following voting period:

Commencement of remote e -voting	9:00 a.m. IST on Wednesday, August 25, 2021
End of remote e -voting	5:00 p.m. IST on Friday, August 27, 2021

The remote e-voting will not be allowed beyond the aforesaid date and time and the remote e-voting module shall be forthwith disabled by KFinTech upon expiry of the aforesaid period.

Voting rights of a member/beneficial owner (in case of electronic shareholding) shall be in proportion to his/her/its shareholding share in the paid-up equity share capital of the Company as on the cut-off date i.e. Saturday, August 21, 2021 ("Cut-off Date").

The Board of Directors of the Company has appointed Mr. Himanshu Kamdar, Practicing Company Secretary (Membership No. FCS 5171) Partner, Rathi & Associates, Company Secretaries, as Scrutinizer to scrutinize the remote e-voting and Insta Poll process in a fair and transparent manner and he has communicated his willingness to be appointed and will be available for the said purpose.

B. INFORMATION AND INSTRUCTIONS RELATING TO E-VOTING:

- i. The members who have cast their vote(s) by remote e-voting may also attend the Meeting but shall not be entitled to cast their vote(s) again at the Meeting.**
- ii. Once the vote on a resolution is cast by a member, whether partially or otherwise, the member shall not be allowed to change it subsequently or**

cast the vote again.

- iii. A member can opt for only single mode of voting i.e. through remote e-voting or Voting at the Meeting ("Insta Poll"). If a Member casts vote(s) by both modes, then voting done through remote e-voting shall prevail and vote(s) cast at the Meeting shall be treated as "INVALID".
- iv. **A person, whose name is recorded in the Register of Members or in the Register of Beneficial Owners maintained by the Depositories as on the cut off date only shall be entitled to avail the facility of remote e-voting or for participation at the AGM and voting through Insta Poll. A person who is not a member as on the cut-off date, should treat the Notice for information purpose only.**
- v. The Company has opted to provide the same electronic voting system at the Meeting, as used during remote e-voting, and the said facility shall be operational till all the resolutions proposed in the Notice are considered and voted upon at the Meeting and may be used for voting only by the Members holding shares as on the Cut-off Date who are attending the Meeting and who have not already cast their vote(s) through remote e-voting.

MANAGEMENT DISCUSSION & ANALYSIS REPORT**MEDIA & ENTERTAINMENT INDUSTRY**

The Indian Media and Entertainment (M&E) industry is a sunrise sector for the economy and is making significant strides. Proving its resilience to the world, Indian M&E industry is on the cusp of a strong phase of growth, backed by rising consumer demand and improving advertising revenue. The industry has largely been driven by increasing digitisation and higher internet usage over the last decade. Internet has almost become a mainstream media for entertainment for most of the people.

Media is consumed by audience across demographics and various avenues such as television, films, out-of-home (OOH), radio, animation, and visual effect (VFX), music, gaming, digital advertising, and print.

The last quarter of 2020 showed some improvement in revenues for most segments and we expect the M&E sector to recover 25% in 2021 to reach INR1.73 trillion (US\$23.7 billion) and then to grow at a CAGR of 13.7% to reach INR2.23 trillion (US\$30.6 billion) by 2023

While television remained the largest segment, digital media has overtaken print, and online gaming outpaced a disrupted filmed entertainment segment in 2020

Digital and online gaming were the segments which grew in 2020 adding an aggregate of INR26 billion and consequently, their contribution to the M&E sector increased from 16% in 2019 to 23% in 2020. Other segments fell by an aggregate of INR465 billion. Largest absolute contributors to the fall were the filmed entertainment segment (INR119 billion), print (INR106 billion) and television (INR102 billion). The share of traditional media (television, print, filmed entertainment, OOH, radio, music) stood at 72% of M&E sector revenues in 2020

INDEPENDENT AUDITOR'S REPORT

To the Members of Hathway Bhawani Cabletel & Datacom Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **Hathway Bhawani Cabletel & Datacom Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the

HATHWAY BHAWANI CABLETEL & DATACOM LIMITED

Code of Ethics issued by ICAI. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in Annual report but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and

HATHWAY BHAWANI CABLETEL & DATACOM LIMITED

fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

HATHWAY BHAWANI CABLETEL & DATACOM LIMITED

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

HATHWAY BHAWANI CABLETEL & DATACOM LIMITED

Materiality is the magnitude of the misstatement in the standalone financial statements that, individually or in aggregate, makes it probable in the standalone financial statements that, knowledgeable user of the financial statement may be influenced. We consider quantitative materiality and qualitative factors in; (i) planning the scope of our audit work and evaluating the results of our work; and (ii) to evaluate the effects of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A", a statement on the matters specified in the paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

HATHWAY BHAWANI CABLETEL & DATACOM LIMITED

- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account;
- d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with relevant rules issued thereunder and relevant provisions of the Act;
- e) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164(2) of the Act;
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B";
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the Company has not paid remuneration to its directors during the year. Accordingly, the provisions of section 197 of the Act are not applicable to the Company;

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

HATHWAY BHAWANI CABLETEL & DATACOM LIMITED

- i. The Company has disclosed the impact of pending litigations as at March 31, 2021 on its financial position in its standalone financial statements - Refer Note 4.01 to standalone financial statements;
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
- iii. There were no amount which were required to be transferred to the Investor Education and Protection Fund.

Annexure B to the Independent Auditor's Report

Referred to in paragraph 2(f) under "Report on Other Legal and Regulatory Requirements" of our report on even date to the members of the Company on standalone financial statements for the year ended March 31, 2021

Opinion

We have audited the internal financial controls with reference to financial statements of the Company as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2021 based on the internal controls with reference to financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('Guidance Note') issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with

reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial

statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Significant Accounting Policies and Notes to the Standalone Financial Statements

BACKGROUND

Hathway Bhawani Cabletel & Datacom Limited is a company domiciled in India and incorporated under the provisions of the Companies Act, 1956 having registered office at 805/806, Windsor, Off CST Road, Kalina, Santacruz (East), Mumbai Maharashtra 400098. The Company is engaged in Cable TV business. It's Equity shares are listed on Bombay Stock Exchange (BSE) in India.

Authorization of standalone financial statements

The standalone financial statements were authorised for issue in accordance with a resolution of the Board of directors on April 15, 2021.

1.00 SIGNIFICANT ACCOUNTING POLICIES

This note provides a list of the significant accounting policies adopted in the presentation of these standalone financial statements.

1.01 BASIS OF PREPARATION

(i) Compliance with Ind AS

The standalone financial statements comply in all material aspects with Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies Act, 2013 ("the Act"), and relevant rules issued thereunder. In accordance with proviso to the Rule 4A of the Companies (Accounts) Rules, 2014, the terms used in these financial statements are in accordance with the definitions and other requirements specified in the applicable Accounting standards.

(ii) Historical cost convention

The standalone financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities which are measured at fair value;

1.02 ROUNDING OF AMOUNTS

All amounts disclosed in the standalone financial statements and notes have been rounded off to the nearest lakhs, except where otherwise indicated.

1.03 CURRENT VERSUS NON-CURRENT CLASSIFICATION

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is classified as current if:

- (i) it is expected to be realised or intended to be sold or consumed in normal operating cycle
- (ii) it is held primarily for the purpose of trading
- (iii) it is expected to be realised within twelve months after the reporting period, or
- (iv) cash and cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is classified as current if:

- (i) it is expected to be settled in normal operating cycle
- (ii) it is held primarily for the purpose of trading
- (iii) it is due to be settled within twelve months after the reporting period, or
- (iv) there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities on net basis.

All assets and liabilities have been classified as current or non-current as per

Company's normal operating cycle. Based on the nature of operations, the Company has ascertained its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities.

1.04 USE OF JUDGEMENTS, ESTIMATES & ASSUMPTIONS

While preparing standalone financial statements in conformity with Ind AS, the management makes certain estimates and assumptions that require subjective and complex judgments. These judgments affect the application of accounting policies and the reported amount of assets, liabilities, income and expenses, disclosure of contingent liabilities at the statement of financial position date and the reported amount of income and expenses for the reporting period. Financial reporting results rely on our estimate of the effect of certain matters that are inherently uncertain. Future events rarely develop exactly as forecast and the best estimates require adjustments, as actual results may differ from these estimates under different assumptions or conditions. The management continually evaluate these estimates and assumptions based on the most recently available information.

Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the standalone financial statements are as below:

Key sources of estimation uncertainty

- (i) Financial instruments; (Refer note 4.06)
- (ii) Useful lives of Property, Plant and Equipment and intangible assets;
(Refer note 1.05 & 1.06)
- (iii) Obligations relating to employee benefits; (Refer note 4.03)
- (iv) Evaluation of recoverability of deferred tax assets; and
- (v) Contingencies (Refer note 4.01).

1.05 PROPERTY, PLANT AND EQUIPMENT

Property, Plant and Equipment is stated at cost, less accumulated depreciation and accumulated impairment losses. The initial cost of an asset comprises its purchase price, any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation, if any. The purchase price is the aggregate amount paid and the fair value of any other consideration given to acquire the asset.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to statement of profit and loss during the reporting period in which they are incurred.

An item of Property, Plant and Equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of Property, Plant and Equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in statement of profit and loss.

The residual values and useful lives of Property, Plant and Equipment are reviewed at each financial year end, and changes, if any, are accounted prospectively.

Depreciation on Property, Plant & Equipment is provided on straight line method. In accordance with requirements prescribed under Schedule II of Companies Act, 2013, the Company has assessed the estimated useful lives of its Property, Plant & Equipment and has adopted the useful lives and residual value as prescribed in Schedule II.

In case of additions or deletions during the year, depreciation is computed from the month in which such assets are put to use and up to previous month of sale, disposal or held for sale as the case may be. In case of impairment, depreciation is provided on the

revised carrying amount over its remaining useful life.

All assets costing up to ₹ 5,000/- are fully depreciated in the year of capitalisation.

1.06 INTANGIBLE ASSETS

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangibles are not capitalised and the related expenditure is reflected in Statement of profit and loss in the period in which the expenditure is incurred.

Intangible Assets acquired separately

Intangible assets comprises of Cable Television Franchise and Softwares. Cable Television Franchise represents purchase consideration of a network that is mainly attributable to acquisition of subscribers and other rights, permission etc. attached to a network.

Intangible assets with finite useful lives that are acquired are recognized only if they are separately identifiable and the Company expects to receive future economic benefits arising out of them. Such assets are stated at cost less accumulated amortization and impairment losses. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

Derecognition of intangible assets

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in statement of profit and loss when the asset is derecognised.

Amortisation of intangible assets

Intangible assets with finite useful lives are amortized on a straight line basis over their

useful economic lives and assessed for impairment whenever there is indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at each year end. The amortisation expense on Intangible assets with finite lives and impairment loss is recognised in the Statement of Profit and Loss.

Estimated lives for current and comparative periods in relation to application of straight line method of amortisation of intangible assets (acquired) are as follows:

- Softwares are amortized over the license period and in absence of such tenor, over five years.
- Cable Television Franchise are amortized over the contract period and in absence of such tenor, over twenty years.

The estimated useful lives, residual values, amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

1.07 IMPAIRMENT OF ASSETS

Carrying amount of Tangible assets, Intangible assets, Investments in Joint Venture (which are carried at cost) are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or Company's assets (cash generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

1.08 CASH AND CASH EQUIVALENTS

For the purpose of Cash Flow Statement, cash and cash equivalents includes cash on hand, deposits held at call with banks or financial institutions and bank overdrafts.

1.09 FINANCIAL INSTRUMENTS

Financial assets and financial liabilities are recognised when a Company becomes a party to the contractual provisions of the instruments.

Initial Recognition and Measurement – Financial Assets and Financial Liabilities

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

Classification and Subsequent Measurement: Financial Assets

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income ("FVTOCI") or fair value through profit or loss ("FVTPL") on the basis of following:

- the entity's business model for managing the financial assets and
- the contractual cash flow characteristics of the financial asset.

Amortised Cost:

A financial asset is classified and measured at amortised cost if both of the following conditions are met:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

FVTOCI:

A financial asset is classified and measured at FVTOCI if both of the following conditions are met:

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

FVTPL:

A financial asset is classified and measured at FVTPL unless it is measured at amortised cost or at FVTOCI.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Impairment of Financial Assets

The Company assesses on a forward looking basis the expected credit losses

associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

Classification and Subsequent measurement: Financial Liabilities

The Company's financial liabilities include trade and other payables, loans and borrowings.

Financial Liabilities at FVTPL:

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL.

Gains or losses on financial liabilities held for trading are recognised in the Statement of Profit and Loss.

Other Financial Liabilities:

Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortised cost using the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Derecognition of Financial Assets and Financial Liabilities:

The Company derecognises a financial asset when the contractual rights to the cash

flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred. If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

Offsetting Financial Instruments:

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

1.10 INVESTMENT IN JOINT VENTURE

A joint venture is a type of joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint venture. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

The Company's investments in its joint venture is accounted at cost and reviewed for impairment at each reporting date in accordance with the policy described in note 1.07 above.

1.11 BORROWING COSTS

Borrowing costs directly attributable to the acquisition, construction or production of an

asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an company incurs in connection with the borrowing of funds.

1.12 PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a current pre-tax rate. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liabilities are disclosed in the case of:

- a present obligation arising from the past events, when it is not probable that an outflow of resources will be required to settle the obligation;
- a present obligation arising from the past events, when no reliable estimate is possible;
- a possible obligation arising from past events, unless the probability of outflow of resources is remote.

Contingent Assets is disclosed when inflow of economic benefits is probable.

1.13 GRATUITY AND OTHER POST-EMPLOYMENT BENEFITS

(i) Short-term obligations

Short term employee benefits are recognised as an expense at an undiscounted

amount in the Statement of profit & loss of the year in which the related services are rendered.

(ii) Post-employment obligations

The Company operates the following post-employment schemes:

- defined benefit plans such as gratuity; and
- defined contribution plans such as provident fund

Gratuity obligations

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised at amount net of taxes in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in statement of profit and loss as past service cost.

Defined contribution plans

The Company contributes to Employees State Insurance Corporation and Provident Fund which are considered as defined contribution plans. The Company pays provident fund contributions to publicly administered provident funds as per local regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

(iii) Other long-term employee benefit obligations

The liabilities for leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in statement of profit and loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

(iv) Bonus Plans

The Company recognises a liability and an expense for bonus. The Company recognises a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

1.14 REVENUE RECOGNITION

(i) Income from Rendering of services

The Company derives revenues primarily from Cable TV business.

Revenue is recognized upon transfer of control of promised services to customers in an amount that reflects the consideration the company expect to receive in exchange for those services. Subscription revenue is recognized ratably over the period in which the services are rendered.

To recognize revenues, the Company applies the following five step approach:

1. identify the contract with a customer;
2. identify the performance obligations in the contract;
3. determine the transaction price;
4. allocate the transaction price to the performance obligations in the contract; and
5. recognize revenues when a performance obligation is satisfied

Revenue is measured based on the consideration specified in a contract with a customer and excludes amounts collected on behalf of third parties.

A receivable is a right to consideration that is unconditional upon passage of time. Revenues in excess of billings is recorded as unbilled revenue and is classified as a financial asset for these cases as right to consideration is unconditional upon passage of time. While invoicing in excess of revenue are classified as contract liabilities (which we refer to as unearned revenue).

The Company presents revenues net of indirect taxes in its statement of profit and loss.

(ii) Interest Income

Interest income from debt instruments is recognised using the effective interest rate method.

1.15 TAXES ON INCOME

Current Tax:

Tax on income for the current period is determined on the basis on estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments / appeals.

Current income tax relating to items recognised directly in equity is recognised in equity and not in the statement of profit and loss.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax:

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax

asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside the statement of profit and loss is recognised outside the statement of profit and loss. Deferred tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity.

The break-up of the major components of the deferred tax assets and liabilities as at balance sheet date has been arrived at after setting off deferred tax assets and liabilities where the Company have a legally enforceable right to set-off assets against liabilities.

1.16 EARNINGS PER SHARE (EPS)

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders is adjusted for after income tax effect of interest and other financing cost associated with dilutive potential equity shares and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

1.17 LEASES

As a Lessee

The Company's lease arrangements are short term in nature. Accordingly, the Company has elected to recognize the lease payments under short leases as an operating expense on a straight-line basis over the lease term.

Notes to the Standalone Financial Statements

(₹ in lakhs unless otherwise stated)

4.01 Contingent Liabilities

The Company has received Show Cause cum Demand notices ("SCNs") from the Department of Telecommunications ("DOT"), Government of India for the financial years 2007-08 and for the financial years 2009-10 to 2012-13 towards ISP license fees aggregating to Rs. 22.71 Crores which includes penalty and interest thereon upto the respective dates of the notice (March 31, 2020: for the financial years 2007-08 and 2009-10 aggregating to Rs.7.87 Crores). The Company has responded to DOT contesting their inclusion of Cable TV revenue in arriving at Adjusted Gross Revenue "AGR" for calculation of License Fee payable by the Company under the ISP License in these SCNs. Based on the opinion of legal expert, the Company is confident that it has good grounds on merit to defend itself in the above matter. Accordingly, the Company is of the view that no provision is necessary in respect of the aforesaid matter.

4.02 Capital And Other Commitments

There are no Capital and other commitments as at March 31, 2021. (March 31, 2020 : Nil)

4.03 Employee Benefits

a) Defined Benefit Plans:

The Present value of the defined benefit obligations and related current service cost were measured using the Projected Unit Credit Method, with actuarial valuation being carried out at each Balance Sheet date.

Interest Risk :	A decrease in the bond interest rate will increase the plan liability.
Longevity Risk :	The plan is of a final salary defined benefit in nature which is sponsored by the Company and hence it underwrites all the risks pertaining to the plan. In particular, there is a risk for the Company that any adverse salary growth or demographic experience can result in an increase in cost of providing these benefits to employees in future. Since the benefits are lump sum in nature the plan is not subject to any longevity risks.
Salary Risk :	The Gratuity benefit, being based on last drawn salary, will be critically effected in case of increase in future salaries being more than assumed.

4.05 Capital Management

The Company manages its capital structure to ensure that it will be able to continue as a going concern while maximising the return to the stakeholders.

The principal source of funding of the Company has been, and is expected to continue from cash generated from its operations supplemented by funding from borrowings.

4.06 Financial Instruments

i) Methods and assumptions used to estimate the fair values

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

a) The carrying amounts of trade receivables, cash and cash equivalents, trade payables, and other financial liabilities are considered to be the same as their fair values, due to their short-term nature.

b) The fair value for long term security deposits given is calculated based on cash flow discounted using current lending rate. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs.

ii) Categories of financial instruments

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2: directly or indirectly observable market inputs, other than Level 1 inputs; and

Level 3: inputs which are not based on observable market data

4.07 Financial Risk Management

The Company is not exposed to market risk and has insignificant credit and liquidity risk as explained below :

Risk	Exposure arising from	Measurement
1) Credit risk	Cash and cash equivalents, trade receivables, financial assets measured at amortised cost.	Ageing analysis
2) Liquidity Risk	Borrowings and other liabilities	Rolling cash flow forecasts

Credit risk

Credit risk arises from the possibility that counter party will cause financial loss to the company by failing to discharge its obligation as agreed. The Company's exposure to credit risk arises mainly from the trade receivables, distributor commission, consultancy income and balances with banks. Credit risks from balances with banks are managed in accordance with the Company policy. The Company's major revenue streams arises from services provided to end use customers in form of monthly subscription income. The trade receivables on account of subscription income are typically un-secured and derived from sales made to large number of independent customers. There is no concentration of credit risk. The Company follows a simplified approach (i.e. based on lifetime ECL) for recognition of impairment loss allowance on Trade receivables. For the purpose of measuring the lifetime ECL allowance for trade receivables, the Company uses a provision matrix which comprise a very large number of small balances grouped into homogenous groups and assessed for impairment collectively. In addition, in case there are events or changes in circumstances indicating individual trade receivable is required to be reviewed on qualitative aspects, necessary provisions are made.

Table showing age of gross trade receivables and movement in expected credit loss allowance:

4.13 Revenue from contract with customers

Disaggregation of Revenue

As the Company's business activity falls within a single business segment viz. providing Cable Television services which is considered as the only reportable segment and the revenue substantially being in the domestic market, the financial statements are reflective of the information required by Ind AS 108 "Operating Segment". The nature, amount, timing and uncertainty of revenue and cash flows are similar across company's revenue from contracts with customers. Accordingly, there is no disaggregation of revenue disclosed.

Contract Balances

The Company classifies the right to consideration in exchange for deliverables as either a receivable or as unbilled revenue.

Trade receivable and unbilled revenues are presented net of impairment in the Balance Sheet.

The following table provides information about receivables, contract assets and contract liabilities for the contracts with the customers.

Particulars	March 31, 2021	March 31, 2020
Receivables, which are included in 'Trade and other receivables'	6.68	1.90
Contract assets	-	-
Contract liabilities (Unearned Revenue)	5.20	5.03

The contract assets primarily relate to the company's rights to consideration for work completed but not billed at the reporting date. The contract assets are transferred to receivables when the rights become unconditional. The contract liabilities primarily relate to the billing recognized in advance where performance obligations are yet to be satisfied.

Significant changes in the contract assets and the contract liabilities balances during the period are as follows.

Performance Obligations And Remaining Performance Obligations

The remaining performance obligation disclosure provides the aggregate amount of the transaction price yet to be recognized as at the end of the reporting period and an explanation as to when the company expects to recognize these amounts in revenue. Applying the practical expedient as given in Ind AS 115, the company has not disclosed the remaining performances as the performance obligations relates to contracts that have an original expected duration of one year or less.

Remaining performance obligation estimates are subject to change and are affected by several factors, including terminations, changes in the scope of contracts, periodic revalidations, adjustment for revenue that has not materialized and adjustments for currency.

HATHWAY BHAWANI CABLETEL & DATACOM LIMITED

INDEPENDENT AUDITOR'S REPORT

To the Members of Hathway Bhawani Cabletel & Datacom Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **Hathway Bhawani Cabletel & Datacom Limited** (hereinafter referred to as "the Holding Company") and its joint venture comprising of the Consolidated Balance Sheet as at March 31, 2021, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as 'the consolidated financial statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Company as at March 31, 2021, its consolidated profit (including other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Holding Company in accordance with the Code of Ethics issued by Institute of Chartered Accountants of India (ICAI), together with the independence requirements that are relevant to

our audit of the consolidated financial statements under the provisions of the Act and rules made there under and we have fulfilled our other ethical responsibilities in accordance with these requirements and Code of Ethics issued by ICAI. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment and based on the consideration of the report of the other auditor on standalone financial statements and on the other financial information of the joint venture, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in Annual report but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive income), consolidated statement of changes in equity and consolidated cash flows of the Holding Company including its joint venture in accordance with Ind AS and other accounting principles generally accepted in India. The Board of Directors of the Holding Company and of its joint venture are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the Holding Company and of its joint venture are responsible for assessing the ability of the Holding Company and its joint venture to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless respective Board of Directors either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Holding Company and of its joint venture are responsible for overseeing the financial reporting process of the Holding Company and of its joint venture.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the

HATHWAY BHAWANI CABLETEL & DATACOM LIMITED

Holding Company and its joint venture to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Holding Company and its joint venture to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities of the Holding Company and its joint venture to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of the joint venture, as considered in the consolidated financial statements, whose standalone financial statements include the Holding Company's share of net profit of ₹ 0.07 lakhs for the year ended on March 31, 2021. This financial statements and other financial information have been audited by other auditor whose report has been furnished to us by the management of the Holding Company and our opinion on the consolidated financial statements, to the extent they have been derived from such financial statements is based solely on the report of such other auditor.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

As required by section 143(3) of the Act, we report, to the extent applicable, that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;

HATHWAY BHAWANI CABLETEL & DATACOM LIMITED

Annexure A to the Independent Auditor's Report

Referred to in paragraph (f) under Report on Other Legal and Regulatory Requirements' of our Independent Auditor's Report on even date to the members of Hathway Bhawani Cabletel & Datacom Limited ("the Holding Company) on the consolidated financial statements for the year ended March 31, 2021:

Opinion

In conjunction with our audit of the consolidated financial statements of the Holding Company as of and for the year ended March 31, 2021, we have audited the internal financial controls with reference to financial statements of **Hathway Bhawani Cabletel & Datacom Limited (hereinafter referred to as 'the Holding Company')** and its joint venture, which are companies incorporated in India, as of that date.

In our opinion, the Holding Company and its joint venture, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2021 based on the internal controls with reference to financial statements criteria established by the Holding Company, considering the essential components of internal controls stated in the Guidance Note issued by the ICAI

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company and its joint venture, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal controls with reference to financial statements criteria established by the Holding Company and its joint venture, considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("Guidance Note") issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Holding Company and its joint venture, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor in terms of their report referred to in the "Other Matters" paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial control system with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in

HATHWAY BHAWANI CABLETEL & DATACOM LIMITED

accordance with generally accepted accounting principles and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matters

Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements, in so far as it relates standalone financial statements of the joint venture, which is the company incorporated in India, is based on the corresponding report of the auditor of such joint venture incorporated in India.

Significant Accounting Policies and Notes to the Consolidated Financial Statements

BACKGROUND

Hathway Bhawani Cabletel & Datacom Limited is a company domiciled in India and incorporated under the provisions of the Companies Act, 1956 having registered office at 805/806, Windsor, 8th Floor, Off CST Road, Kalina, Santacruz (East), Mumbai -400098. The Company is engaged in Cable TV business. Its equity shares are listed on Bombay Stock Exchange (BSE) in India.

Authorisation of consolidated financial statements

The consolidated financial statements were authorized for issue in accordance with a resolution of the Board of directors on April 15, 2021.

1.00 SIGNIFICANT ACCOUNTING POLICIES

This note provides a list of the significant accounting policies adopted in the presentation of these consolidated financial statements. The financial statements are of the Holding Company and its Joint Venture.

1.01 BASIS OF PREPARATION

(i) Compliance with Ind AS

"The consolidated financial statements comply in all material aspects with Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies Act, 2013 ("the Act"), and relevant rules issued thereunder. In accordance with proviso to the Rule 4A of the Companies (Accounts) Rules, 2014, the terms used in these financial statements are in accordance with the definitions and other requirements specified in the applicable Accounting standards."

(ii) Historical cost convention

The consolidated financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities which are measured at fair value.

1.02 ROUNDING OF AMOUNTS

All amounts disclosed in the consolidated financial statements and notes have been rounded off to the nearest lakhs, except where otherwise indicated.

1.03 CURRENT VERSUS NON-CURRENT CLASSIFICATION

The Holding Company and its Joint Venture presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is classified as current if:

- (i) it is expected to be realised or intended to be sold or consumed in normal operating cycle
- (ii) it is held primarily for the purpose of trading
- (iii) it is expected to be realised within twelve months after the reporting period, or
- (iv) cash and cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is classified as current if:

- (i) it is expected to be settled in normal operating cycle
- (ii) it is held primarily for the purpose of trading
- (iii) it is due to be settled within twelve months after the reporting period, or

(iv) there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities on net basis.

All assets and liabilities have been classified as current or non-current as per Holding Company's and it's Joint Venture's normal operating cycle. Based on the nature of operations, the Holding Company and it's Joint Venture has ascertained its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities.

1.04 USE OF JUDGEMENTS, ESTIMATES & ASSUMPTIONS

While preparing consolidated financial statements in conformity with Ind AS, the management makes certain estimates and assumptions that require subjective and complex judgments. These judgments affect the application of accounting policies and the reported amount of assets, liabilities, income and expenses, disclosure of contingent liabilities at the statement of financial position date and the reported amount of income and expenses for the reporting period. Financial reporting results rely on our estimate of the effect of certain matters that are inherently uncertain. Future events rarely develop exactly as forecast and the best estimates require adjustments, as actual results may differ from these estimates under different assumptions or conditions. The management continually evaluate these estimates and assumptions based on the most recently available information.

Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect

on the amounts recognized in the consolidated financial statements are as below:

Key sources of estimation uncertainty

- (i) Financial instruments; (Refer note 4.06)
- (ii) Useful lives of Property, Plant and Equipment and intangible assets; (Refer note 1.06 & 1.07)
- (iii) Obligations relating to employee benefits; (Refer note 4.03)
- (iv) Evaluation of recoverability of deferred tax assets; and
- (v) Contingencies (Refer note 4.01).

1.05 Principles of consolidation and equity accounting**(i) Joint Venture**

Under Ind AS 111 Joint Arrangements, investments in joint arrangements are classified as either joint operations or joint ventures. The classification depends on the contractual rights and obligations of each investor, rather than the legal structure of the joint arrangement. The Holding Company has only one joint venture.

Interests in joint venture are accounted for using the equity method (see (ii) below), after initially being recognised at cost in the consolidated balance sheet.

(ii) Equity method

Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the Holding Company's share of the post-acquisition profits or losses of the investee in statement of profit and loss, and the Holding Company's share of other comprehensive income of the investee in other comprehensive income. Dividends received or receivable from

joint venture are recognised as a reduction in the carrying amount of the investment.

Unrealised gains on transactions between the Holding Company and joint venture are eliminated to the extent of the ' Holding Company's interest in this entity. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees have been changed where necessary to ensure consistency with the policies adopted by the Holding Company.

The carrying amount of equity accounted investments are tested for impairment in accordance with the policy described in note 1.08 below.

1.06 PROPERTY, PLANT AND EQUIPMENT

Property, Plant and Equipment is stated at cost, less accumulated depreciation and accumulated impairment losses. The initial cost of an asset comprises its purchase price, any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation, if any. The purchase price is the aggregate amount paid and the fair value of any other consideration given to acquire the asset.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Holding Company and it's Joint Venture and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to statement of profit and loss during the reporting period in which they are incurred.

An item of Property, Plant and Equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use

of the asset. Any gain or loss arising on the disposal or retirement of an item of Property, Plant and Equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in statement of profit and loss.

The residual values and useful lives of Property, Plant and Equipment are reviewed at each financial year end, and changes, if any, are accounted prospectively.

Depreciation on Property, Plant & Equipment is provided on straight line method. In accordance with requirements prescribed under Schedule II of Companies Act, 2013, the Holding Company and its Joint Venture has assessed the estimated useful lives of its Property, Plant & Equipment and has adopted the useful lives and residual value as prescribed in Schedule II.

In case of additions or deletions during the year, depreciation is computed from the month in which such assets are put to use and up to previous month of sale, disposal or held for sale as the case may be. In case of impairment, depreciation is provided on the revised carrying amount over its remaining useful life.

All assets costing up to ₹. 5,000/- are fully depreciated in the year of capitalisation.

1.07 INTANGIBLE ASSETS

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangibles are not capitalised and the related expenditure is reflected in Statement of Profit and Loss in the period in which the expenditure is incurred.

Intangible Assets acquired separately

Intangible assets comprises of Cable Television Franchise and Softwares.

Cable Television Franchisee represents purchase consideration of a network that is mainly attributable to acquisition of subscribers and other rights, permission etc. attached to a network.

Intangible assets with finite useful lives that are acquired are recognized only if they are separately identifiable and the Holding Company and its Joint Venture expects to receive future economic benefits arising out of them. Such assets are stated at cost less accumulated amortization and impairment losses. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

Derecognition of intangible assets

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in statement of profit and loss when the asset is derecognised.

Amortisation of intangible assets

Intangible assets with finite useful lives are amortized on a straight line basis over their useful economic lives and assessed for impairment whenever there is indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at each year end. The amortisation expense on Intangible assets with finite lives and impairment loss is recognised in the Statement of Profit and Loss.

Estimated lives for current and comparative periods in relation to application of straight line method of amortisation of intangible assets (acquired) are as follows:

- Softwares are amortised over the license period and in absence of such tenor,

over five years.

- Cable Television Franchise are amortised over the contract period and in absence of such tenor, over twenty years.

The estimated useful lives, residual values, amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

1.08 IMPAIRMENT OF ASSETS

Carrying amount of Tangible assets, Intangible assets, Investments in Joint Venture (which are accounted under equity method) are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or Holding Company and its Joint Venture's assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

1.09 CASH AND CASH EQUIVALENTS

For the purpose of Cash Flow Statement, cash and cash equivalents includes cash on hand, deposits held at call with banks or financial institutions and bank overdrafts.

1.10 FINANCIAL INSTRUMENTS

Financial assets and financial liabilities are recognised when a Holding Company and it's Joint Venture becomes a party to the contractual provisions of the instruments.

Initial Recognition and Measurement – Financial Assets and Financial Liabilities

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

Classification and Subsequent Measurement: Financial Assets

The Holding Company and it's Joint Venture classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income ("FVTOCI") or fair value through profit or loss ("FVTPL") on the basis of following:

- the entity's business model for managing the financial assets and
- the contractual cash flow characteristics of the financial asset.

Amortised Cost:

A financial asset is classified and measured at amortised cost if both of the following conditions are met:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

FVTOCI:

A financial asset is classified and measured at FVTOCI if both of the following conditions are met:

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

FVTPL:

A financial asset is classified and measured at FVTPL unless it is measured at amortised cost or at FVTOCI.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Impairment of Financial Assets

The Holding Company and its Joint Venture assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been

a significant increase in credit risk.

For trade receivables only, the Holding Company and its Joint Venture applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

Classification and Subsequent measurement: Financial Liabilities

The 'Holding Company and its Joint Venture's financial liabilities include trade and other payables, loans and borrowings.

Financial Liabilities at FVTPL:

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL.

Gains or losses on financial liabilities held for trading are recognised in the Statement of Profit and Loss.

Other Financial Liabilities:

Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortised cost using the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Derecognition of Financial Assets and Financial Liabilities:

The Holding Company and its Joint Venture derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred. If the Holding Company and its Joint Venture enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

Offsetting Financial Instruments:

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Holding Company and its Joint Venture or the counterparty.

1.11 BORROWING COSTS

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that a company incurs in connection with the borrowing of funds.

1.12 PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions are recognised when the Holding Company and its Joint Venture

has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a current pre-tax rate. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liabilities are disclosed in the case of:

- a present obligation arising from the past events, when it is not probable that an outflow of resources will be required to settle the obligation;
- a present obligation arising from the past events, when no reliable estimate is possible;
- a possible obligation arising from past events, unless the probability of outflow of resources is remote.

Contingent Assets is disclosed when inflow of economic benefits is probable.

1.13 GRATUITY AND OTHER POST-EMPLOYMENT BENEFITS

(i) Short-term obligations

Short term employee benefits are recognised as an expense at an undiscounted amount in the Statement of profit & loss of the year in which the related services are rendered.

(ii) Post-employment obligations

The Holding Company and its Joint Venture operates the following post-employment schemes:

- defined benefit plans such as gratuity; and
- defined contribution plans such as provident fund

Gratuity obligations

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised at amount net of taxes in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in statement of profit and loss as past service cost.

Defined contribution plans

The Holding Company and its Joint Venture contributes to Employees State

Insurance Corporation and Provident Fund which are considered as defined contribution plans. The Holding Company and its Joint Venture pays provident fund contributions to publicly administered provident funds as per local regulations. The Holding Company and its Joint Venture has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

(iii) Other long-term employee benefit obligations

The liabilities for leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in statement of profit and loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

(iv) Bonus Plans

The Holding Company and its Joint Venture recognises a liability and an expense for bonus. The Holding Company and its Joint Venture recognises a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

1.14 REVENUE RECOGNITION**(i) Income from Rendering of services**

The Company derives revenues primarily from Cable TV business.

Revenue is recognized upon transfer of control of promised services to customers in an amount that reflects the consideration the company expect to receive in exchange for those services. Subscription revenue is recognized ratably over the period in which the services are rendered.

To recognize revenues, the Company applies the following five step approach:

1. identify the contract with a customer;
2. identify the performance obligations in the contract;
3. determine the transaction price;
4. allocate the transaction price to the performance obligations in the contract;
5. recognize revenues when a performance obligation is satisfied

Revenue is measured based on the consideration specified in a contract with a customer and excludes amounts collected on behalf of third parties.

A receivable is a right to consideration that is unconditional upon passage of time. Revenues in excess of billings is recorded as unbilled revenue and is classified as a financial asset for these cases as right to consideration is unconditional upon passage of time. While invoicing in excess of revenue are classified as contract liabilities (which we refer to as unearned revenue).

The Company presents revenues net of indirect taxes in its statement of profit and loss.

(ii) Interest Income

Interest income from debt instruments is recognised using the effective interest rate method.

1.15 TAXES ON INCOME

Current Tax:

Tax on income for the current period is determined on the basis on estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments / appeals.

Current income tax relating to items recognised directly in equity is recognised in equity and not in the statement of profit and loss.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax:

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside the statement of profit and loss is recognised outside the statement of profit and loss. Deferred tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity.

The break-up of the major components of the deferred tax assets and liabilities as at balance sheet date has been arrived at after setting off deferred tax assets and liabilities where the Holding Company and its Joint Venture have a legally enforceable right to set-off assets against liabilities.

1.16 EARNINGS PER SHARE (EPS)

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders is adjusted for after income tax effect of interest and other financing cost associated with dilutive potential equity shares and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

1.17 LEASES

As a Lessee

The Company's lease arrangements are short term in nature. Accordingly, the Company has elected to recognize the lease payments under short leases as an operating expense on a straight-line basis over the lease term.

4.01 Contingent Liabilities

The Company has received Show Cause cum Demand notices ("SCNs") from the Department of Telecommunications ("DOT"), Government of India for the financial years 2007-08 and for the financial years 2009-10 to 2012-13 towards ISP license fees aggregating to Rs. 22.71 Crores which includes penalty and interest thereon upto the respective dates of the notice (March 31, 2020: for the financial years 2007-08 and 2009-10 aggregating to Rs.7.87 Crores). The Company has responded to DOT contesting their inclusion of Cable TV revenue in arriving at Adjusted Gross Revenue "AGR" for calculation of License Fee payable by the Company under the ISP License in these SCNs. Based on the opinion of legal expert, the Company is confident that it has good grounds on merit to defend itself in the above matter. Accordingly, the Company is of the view that no provision is necessary in respect of the aforesaid matter.

4.02 Capital And Other Commitments

There are no Capital and other commitments as at March 31, 2021 (March 31, 2020 : Nil)

4.03 Employee Benefits

a) Defined Benefit Plans:

The Present value of the defined benefit obligations and related current service cost were measured using the Projected Unit Credit Method, with actuarial valuation being carried out at each Balance Sheet date.

Interest Risk :	A decrease in the bond interest rate will increase the plan liability.
Longevity Risk :	The plan is of a final salary defined benefit in nature which is sponsored by the Company and hence it underwrites all the risks pertaining to the plan. In particular, there is a risk for the Company that any adverse salary growth or demographic experience can result in an increase in cost of providing these benefits to employees in future. Since the benefits are lump sum in nature the plan is not subject to any longevity risks.
Salary Risk :	The Gratuity benefit, being based on last drawn salary, will be critically effected in case of increase in future salaries being more than assumed.

4.05 Capital Management

The Holding Company manages its capital structure to ensure that it will be able to continue as a going concern while maximising the return to the stakeholders.

The principal source of funding of the Company has been, and is expected to continue from cash generated from its operations supplemented by funding from borrowings.

4.06 Financial Instruments

i) Methods and assumptions used to estimate the fair values

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

a) The carrying amounts of trade receivables, cash and cash equivalents, trade payables, and other financial liabilities are considered to be the same as their fair values, due to their short-term nature.

b) The fair value for long term security deposits given is calculated based on cash flow discounted using current lending rate. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs.

ii) Categories of financial instruments

The Holding Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2: directly or indirectly observable market inputs, other than Level 1 inputs; and

Level 3: inputs which are not based on observable market data

4.07 Financial Risk Management

The Holding Company is not exposed to market risk and has insignificant credit and liquidity risk as explained below :

Risk	Exposure arising from	Measurement
1) Credit risk	Cash and cash equivalents, trade receivables, financial assets measured at amortised cost.	Ageing analysis
2) Liquidity Risk	Borrowings and other liabilities	Rolling cash flow forecasts

Credit risk

Credit risk arises from the possibility that counter party will cause financial loss to the company by failing to discharge its obligation as agreed. The Company's exposure to credit risk arises mainly from the trade receivables, distributor commission, consultancy income and balances with banks. Credit risks from balances with banks are managed in accordance with the Company policy. The Company's major revenue streams arises from services provided to end use customers in form of monthly subscription income. The trade receivables on account of subscription income are typically un-secured and derived from sales made to large number of independent customers. There is no concentration of credit risk. The Company follows a simplified approach (i.e. based on lifetime ECL) for recognition of impairment loss allowance on Trade receivables. For the purpose of measuring the lifetime ECL allowance for trade receivables, the Company uses a provision matrix which comprise a very large number of small balances grouped into homogenous groups and assessed for impairment collectively. In addition, in case there are events or changes in circumstances indicating individual trade receivable is required to be reviewed on qualitative aspects, necessary provisions are made.

4.11 Revenue from contract with customers

Disaggregation of Revenue

As the Company's business activity falls within a single business segment viz. providing Cable Television services which is considered as the only reportable segment and the revenue substantially being in the domestic market, the financial statements are reflective of the information required by Ind AS 108 "Operating Segment". The nature, amount, timing and uncertainty of revenue and cash flows are similar across company's revenue from contracts with customers. Accordingly, there is no disaggregation of revenue disclosed.

Contract Balances

The Company classifies the right to consideration in exchange for deliverables as either a receivable or as unbilled revenue.

Trade receivable and unbilled revenues are presented net of impairment in the Balance Sheet.

The following table provides information about receivables, contract assets and contract liabilities for the contracts with the customers.

Particulars	March 31, 2021	March 31, 2020
Receivables, which are included in 'Trade and other receivables'	6.68	1.90
Contract assets	-	-
Contract liabilities (Unearned Revenue)	5.20	5.03

The contract assets primarily relate to the company's rights to consideration for work completed but not billed at the reporting date. The contract assets are transferred to receivables when the rights become unconditional.

The contract liabilities primarily relate to the billing recognized in advance where performance obligations are yet to be satisfied.

Significant changes in the contract assets and the contract liabilities balances during the period are as follows.

Add: Advance income received from the customer during the year	-	5.03
Balance at the end of the year	-	5.03

Performance Obligations And Remaining Performance Obligations

The remaining performance obligation disclosure provides the aggregate amount of the transaction price yet to be recognized as at the end of the reporting period and an explanation as to when the company expects to recognize these amounts in revenue. Applying the practical expedient as given in Ind AS 115, the company has not disclosed the remaining performances as the performance obligations relates to contracts that have an original expected duration of one year or less.

Remaining performance obligation estimates are subject to change and are affected by several factors, including terminations, changes in the scope of contracts, periodic revalidations, adjustment for revenue that has not materialized and adjustments for currency.
